## Three Specials For This Week

BUFFETS,  
\$38.50  
OFFICE CHAIRS,  
\$5.50  
CHAIR CARTS,  
\$2.00

Here is a trio of Furniture specials that will stand as leaders for some time to come, and we doubt if you will ever find their equal—surely not their betters.

In construction and appearance these pieces are all that could be desired. The woods are finely grained, the finish is smooth and hard, the joints are well-nigh perfect and in design they are masterpieces of clever workmanship. Just step into our store and see them.

## B. W. HOOKER &amp; CO., BARRE, VT.,

Expert Embalmers and Funeral Directors.  
Improved Ambulance Service. Orders Promptly Attended To.

## Dressing the Boy!

Do you know that one of the worst things you can do to a boy is to buy him poorly-made, badly-fitting clothes? You cut him off from one of the manliest virtues—personal pride. You rob him of right training by making him careless of his clothes, because ashamed of them. Is it not better to have a suit that looks well and makes the boy care for his appearance? Or is the other kind better—the kind that hangs all askew and goes to pieces in no time and makes you spend twice the money? Fathers, mothers, boys, our good clothes at fair prices are at your service.

Boys' Single and Double Breasted Suits, ..	\$2.00 to \$7.50
Boys' Norfolk Suits, ..	\$2.00, 3.00 to 7.50
Boys' Blouse Suits, ..	1.50, 2.00 to 6.00

These Suits are for boys from 8 to 16 years of age. We've everything that's right in Boys' Clothes, and we're as ready to show as to sell.

We Clean, Press and Repair Clothing.

## TRAIN AND TRACK.

The Canadian Pacific railway has 1,454 miles of lines.  
Railways use up over 2,000,000 tons of steel a year, almost half the world's product.

The Philadelphia and Reading Railway company has issued orders to reduce speed around certain curves and switches on its various lines in the interest of greater safety.  
The Russian cabinet has rejected a proposal made on behalf of an American syndicate for the construction of a railroad tunnel under Bering strait, by which it was hoped ultimately to connect the Transiberian with the Canadian Pacific railroad.

About forty employees of the New York, New Haven and Hartford railroad have been retired on pensions. The men so retired have been in the employ of the company from thirty-five to forty years and will now receive from \$6 to \$7 a week for the remainder of their lives.

Japanese Theaters.  
Japanese theaters have their boxes so arranged that the ladies can change dresses, as it is not considered stylish for a lady to appear in an entire evening in one dress and with the same ornaments.

Hyde Park's Original Key.  
Among the treasures preserved at the residence of the Earl of Arundel is the original gilt key of Hyde park, sent by Queen Anne to Lord Chancellor Clarendon, to give him at all times admission to the park at London—a relic of singular historical interest.

On a Tombstone.  
In a French churchyard is a monument bearing an inscription of which the following is a translation: "Here lies Jean Pinto, the Spanish vocalist. When he reached heaven he uttered his voice with the voices of the angels. As soon as he heard him the Devil cried: 'Keep quiet, all you fellows, and let us hear alone the illustrious singer, Jean Pinto.'"

Wheeled Carriages.  
The first wheeled carriages were used in France in 1559.  
Salt in the Sea.

If a box six feet deep was filled with sea water, which was then allowed to evaporate, there would be two inches of salt left in the bottom of the box. Taking the average depth of the ocean to be three miles, there would be a layer of salt 440 feet thick covering the bottom in case all the water should evaporate.
